

# Tree Training Intensive

Friday, July 15, 2016

8:30am to 4pm

Ward Pavilion, Wildwood Preserve  
Metroparks Toledo, 5100 West Central Avenue

A workshop for **Tree Commissions**, mayors and local government decision makers, **workers** managing urban forests and stormwater practices, **students** interested in a career in forestry or arboriculture, and **people who want to preserve, protect, and grow healthy tree canopy in their communities.**

**Expand** your knowledge and sharpen your skills in communicating the benefits of trees.  
**Learn** what arborists do and how they do it.

**See** how trees work to manage stormwater.

**Participate** in hands-on exercises with tools of the trade.

**Take home** a workbook full of useful materials.

The program includes:

- Tree Commission Academy - The Short Course
- Support your local arborist
- Outdoor exercises - A walkabout in the woods
- Online resources and how to use them

**Register Today!** The workshop is free, as is lunch, but you must register by July 11.

Register online at <http://bit.ly/1RXwEQw> or contact Partners for Clean Streams at 419.874.0727.

Made possible by a grant from the Tree Fund, and presented by  
Partners for Clean Streams in cooperation with Cuyahoga River Restoration.
