

For Savings That Stick, Look Here.

If you're in the home repairs/improvements business, go to www.MaumeeRAP.org today or call Maumee RAP at 419-241-9155 x 139 and get in on the Give Water a Hand program.

Our FREE guidebook and self-assessment form provide easy ways to save money and help save our waterways, plus great tips you can apply liberally and spread the savings over every project.
